## Come in from the Cold!

### Register for the CPCC's Second Session of Fall Programs

**Bolton, ON** – The cold weather has arrived and the Caledon Parent-Child Centre (CPCC) would like to invite families with young children to come in from the cold and enjoy some great programs for children from 0-6 years of age. The years before age six are the most influential in a child's development and how we care for our children during the first six years sets the stage for lifelong learning, behaviour and health. At the CPCC, families with young children can take part in a variety of *free* early learning programs and activities. Parents and caregivers may also get helpful information about their child's development and about services to support that development.

Be sure to register for the CPCC's next session of programs during the week of November 16-21, 2015. This second fall session of toddler and infant early learning programs includes Baby Playtime, Toddler Time, Toddler Mother Goose, Shake Rattle & Roll and Infant Mother Goose. Preschool programs for children 2 to 4 years will also be offered such as School Here I Come, Math is Everywhere and Adventures In Science. Based on registration volume and space limitations, a lottery system may be used to determine participation. For more information on the Fall Schedule including detailed program descriptions and registration guidelines, visit [www.cp-cc.org](http://www.cp-cc.org) or call 905-857-0090.

"Family Time" drop-in is open six days a week at the CPCC and programs are also being offered at the Cheltenham and Caledon East Satellites.

The CPCC/OEYC is a non-profit community service organization that provides support, resources, and education that strengthen families and promote the optimal development of children. Parents and caregivers with young children can access a variety of free child development programs, family support services and helpful information on parenting.
