# Program Descriptions

## **FAMILY TIME (all ages)**

Adults and children can drop-in and explore a variety of play and activity Centres in a stimulating environment. No registration required.

**REGISTERED PROGRAMS: Daily Sign in is required; registration will be based on a first come, first served basis**

### **Creative Kids (CK) – For children 0 to 6 years of age**

Children and adults will explore all aspects of the arts including drama, music, construction and visual arts. Along with exploring imagination and thought process, your child will practice listening, watching, imitating, gross motor, fine motor and language/communication skills.  
Register as you enter (numbers will be limited)

### **Infant Mother Goose (IMG) – For children ages 0 to 12 months**

Adults and infants will be introduced to an interactive program of songs, rhymes and cuddly games that encourage early language and foster bonding and attachment.  
Register as you enter (numbers will be limited)

### **Baby Playtime/Let's Talk Baby (LTB) – For parents and infants 0 to 18 months**

Meet up, drop-in, make some friends and have some fun. Join other parents to share information, resources and strategies in an informal discussion group. Discussion will be offered around supporting your baby's healthy development and early learning. Songs and stories will also be offered for all.

### **Shake Rattle and Roll (SRR) – For children ages 0 to 12 months**

Adults and Infants will explore the concepts of music, movement and creative play. Infants will begin to learn body awareness, practice gross motor skills and socialize as they play.

### **Play and Learn (P & L) – For children 0 to 6 years of age**

You and your child can join us for play based early learning activities in the children's program room. The activities will include creative and sensory activities, cognitive activities and literacy based activities, to name a few.  
Register as you enter (numbers will be limited)

### **School Here I Come – For children 3 to 6 years of age who are entering Kindergarten or Grade One September 2015**

Your child will play and practice some of those very important skills he/she will need to get ready for the classroom. The program will follow the Early Learning For Every Child Today (E.L.E.C.T.) Framework. Children will attend in the Children's Program Room while parents remain in the large playroom.  
Register as you enter (numbers will be limited)

### **Family Move & Groove (M&G) – For children 0 to 99 years of age**

Wake up and get moving. A movement and music fun filled hour will get you ready for a busy day. Children will move to the beat without the heat, join the band and play with balls, bean bags and the parachute as they build strong bodies and improve coordination.  
Register as you enter (numbers will be limited)

### **Adventures In Science/Math Is Everywhere – For children 2 to 6 years of age**

Explore some of the wonders of science and math with us as we experiment, hypothesize, plan and build our knowledge of the world and how things work. The program will follow the Early Learning for Every Child Today (E.L.E.C.T.) philosophy, principles and practices.

**NOTE: Programs may be cancelled if participation is low. Programs may also need to be cancelled due to staffing restrictions.**
