## EARLY LEARNING FOR CHILDREN AT THE CPCC GET REGISTERED FOR FALL

**Bolton, ON** – The years before age six are the most influential in a child’s development. How we care for our children during the first six years sets the stage for lifelong learning, behaviour and health. At the Caledon Parent-Child Centre/Ontario Early Years Centre (CPCC/OEYC), families with young children can take part in a variety of *free* early learning programs and activities. Parents and caregivers may also get helpful information about their child’s development and about services to support that development.

Be sure to register for their Fall session of programs during the week of September 9 to 13. This Fall’s schedule of parenting and infant/toddler development programs includes You & Your Baby, Shake, Rattle & Roll, Learning Through Play, Baby Playtime and Mother Goose. Preschool and school readiness programs for children 2 to 6 years will also be offered such as Move & Groove, Discovery Time and Creative Kids. This year we are also offering a program called It Takes A Village in which parents and caregivers will meet other families from their neighbourhood and build informal networks that all families benefit from.

Based on registration volume and space limitations, a lottery system may be used to determine participation. For more information on the Fall Schedule including detailed program descriptions and registration guidelines, visit [www.cp-cc.org](http://www.cp-cc.org) or call 905-857-0090.

“Family Time” drop-in is open six days a week and programs are also being offered at the Cheltenham Satellite. **Please note that the Centre will be closed from September 2 to 7 for Fall program planning.**

The CPCC/OEYC is a non-profit community service organization that provides support, resources, and education that strengthen families and promote the optimal development of children. Parents and caregivers with young children can access a variety of free child development programs, family support services and helpful information on parenting.
